[Polite society on DMR](#)

The wide area TG is kind of like meeting someone in the hallway or a noisy lobby. The "on-demand" TG's are out the way places to go have a discussion without upsetting the hall monitors.

[Digital Mobile Radio for Hams](#)

[ISS Columbus Ham Radio inoperative](#)

The Ericsson VHF handheld transceiver in the ISS Columbus module which is used for amateur radio voice contacts on 144.800 MHz and the packet radio digipeater on 145.825 MHz is unusable.

A simple approach to VHF contesting

The tow bar mount is made from a few off cuts of 47mm x 100mm (or 2" by 4" if you prefer) and a piece of rough sawn timber.

Hams in India monitoring "Highly Suspicious" VHF communications

The signals were being heard in the dead of night, with participants reported to be in motion and speaking in some sort of code.
